LETTER No DT 148 dated 19th April 1930 from the President, Town Municipal Council Davanere, to the Deputy Com-missioner, Chitaldrug

I have the honor to forward herewith for kind perusal the revised draft bye-laws framed by the Davanere Municipal Council under rule 24 of the Rules under the Mysore Vaccination Regulation I of 1906 on the lines of the model bye-laws approved by Government in their order No 2153-63/11 63-28-213 dated 19th September 1929. These bye-laws were approved for the first time by the Municipal Council in their meeting held on 27th November 1929. Then the objections were called for from the public by publishing them in three successive issues of the Gazette commencing from 23rd January 1930 and by circulation of spare copies in the town. As no objections were received within a period of one month in response to the notice, the bye-laws were finally approved by the Municipal Council in their special meeting held on 11th March 1930. Copies of resolutions and a printed copy of the draft bye-laws are enclosed for ready reference. In these circumstances, I request you to be so good as to obtain sanction of Government for these bye-laws and to communicate the same to me for adoption.
